Professional Summary

After working within technology in higher education, I developed an interest in programming and completed the University of North Carolina at Chapel Hill Coding Bootcamp for Full Stack Web Development. Experience in HTML, CSS, JavaScript, Node.js, Express.js, MySQL, NoSQL, MongoDB, React.js and more. I enjoy being challenged and consider myself a lifelong student. Looking for the perfect match with a company that will test and further my knowledge of web development.

Technical Skills

HTML5, CSS3, JavaScript(ES6), jQuery, Git, Bootstrap, Bulma, Materialize, MaterialUI, Node.js, Handlebars.js, React.js, Express.js, MySQL, NoSQL, MongoDB, JSON Web Token, Heroku, GitHub Pages

- GitHub Repository: https://github.com/PamtheHam/Book-Search-Engine
- A Google Books API search engine to search for and save books.
- Technologies: HTML5, CSS3, JavaScript, Bootstrap, MERN stack, GraphQL

Experience

English as a Second Language Teacher | *Sogang Language Program, Tongyeong, South Korea Jul 2020 – Jan 2021*
- Created and implemented lesson plans focused on improving English language proficiency in listening, reading, writing, and speaking to students aged 7-18 years old.

Graduate Assistant | *Fort Hays State University, International Student Services Aug 2019 – April 2020*
- Served as advisor to the International Student Union and developed and implemented social, cultural, and informational programs for the International Student Union and the International Student Services office.

Building Manager Supervision Practicum | *Fort Hays State University, Memorial Union Aug 2019 – Dec 2019*
- Supervised and advised a team of five student employee building managers, facilitating one on one meetings with each individual to assess and critique their work, plan their weekly schedules, and support the creation of weekly professional goals and provide feedback and direction on those goals.

Graduate Assistant | *Fort Hays State University, Center for Student Involvement Aug 2018 – May 2019*
- Served as a lead manager of the online student portal TigerLink through CampusLabs (now Anthology, Inc.), managing student organization profiles, creating and editing forms and events, and producing articles for the Center for Student Involvement.
- Organized and planned social activities and large-scale events on campus, such as the TigerLink Birthday Party, Veterans Day Celebration, and the Student Organization Awards Reception.
